## Achievements & performance

### Health Promotion

To combat the disproportionate health inequalities that black and minority ethnic people face, over the past year, ACCG hosted several health education forums and workshops, which includes our monthly Diabetes forum, Cancer Awareness sessions for Breast and Prostate cancer, Nutrition and Hydration Sessions which aim to inform attendees of how to spot signs of malnutrition and dehydration, tips for staying hydrated in warmer weather, and nutritious foods to include in their diet.

### The Halle Orchestra

The ACCG has continued to work with the Halle Orchestra over the course of the year. A violinist from the Halle attends monthly and leads a music session with Service Users, which is particularly beneficial to those with a diagnosis of Dementia, where they will sing along to songs that they know and enjoy.

### Daycare Service

ACCG Day Service is now back to pre-pandemic levels in terms of service user numbers, and we are responding to the changing needs of those accessing our support. Service Users enjoyed a varied range of activities, which includes fitness and exercise sessions, health and information forums, and entertainment such as music therapy, games and intergenerational activities.

### Carers Recognition Awards

ACCG are the Lead partner organisation for the CMC partnership, and have continued to support unpaid carers throughout the year. In December 2022, CMC hosted its first 'Carers Recognition Awards' ceremony, to celebrate unpaid carers for the work they do. Carers were presented with certificates and Awards, by Deputy Cllr Yasmine Dar. The event was well received, and 70 new carers were identified.

### Community Outreach

ACCG recognises the importance of being visible and accessible to the community we serve. Information and Advice stalls are held up to three times per week to share information in various locations, and to provide onsite clinics to discuss services, events and activities which are taking place within the ACCG.

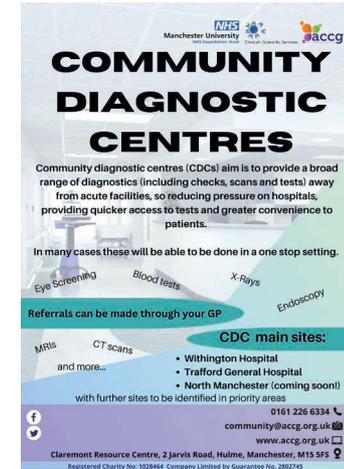

### BBC Comic Relief Appeal 2023

ACCG were delighted and proud to once again feature within a BBC Comic Relief film for Red Nose Day in March 2023, for the second year in a row. This demonstrates that the ACCG is recognised as an organisation providing culturally appropriate services within the local community.

### Community Diagnostic Centres (CDC's)

In our continued efforts to promote health and access to health care, the ACCG have received funding from to educate and raise awareness of Community Diagnostic Centres. This has taken place in the form of literature, stalls, workshops, meetings and 1:1 discussions within the ACCG and in the community, at the Hulme Carers Forum CDC Workshops and ACCG Community Meetings.

### Lunch Club & Delivered Meals

ACCG meal service remains popular, and there has been an increase in the number of people receiving Delivered Meals within the community. ACCG caters to different dietary needs, including Vegan and Halal, and to those on feeding plans, such as pureed diets. ACCG meals also take into consideration a range of health conditions, such as High Blood Pressure and Diabetes.

### Holistic Therapies

The holistic therapy service continues to grow in popularity, and new services have been introduced, such as Hot Stone Massage. The therapy room has also had a revamp, creating a more inviting and relaxing space for those accessing this service.

### Household Support Fund

ACCG worked with MACC to nominate eligible Households to receive one off payments of up to £160 from the Household Support Fund. These payments provided families with extra support during the colder months.

### Household Support

ACCG were funded by Manchester City Council to provide support to vulnerable people within their own homes, at no cost to them. ACCG supported with preparing meals, shopping and general cleaning.

### Trafford Warm Spaces

Trafford Borough Council funded ACCG to provide a warm space each Wednesday for people within the community during the winter months. This assisted with reducing social isolation and the cost of living challenges.

### Advocacy Information and Advice

ACCG provides advocacy, information and advice services to people from ethnic minority backgrounds living in Manchester and Trafford. Over the year, we have provided support to those most affected by the cost of living crisis, support to reduce debt, grant applications, benefit applications and housing concerns.

Over the Christmas period, service users enjoyed a party at the Day Centre. They were entertained by a live Reggae Band, Piano player and carol singing, and were treated to a three course Christmas Lunch.
